ADDENDUM #1

Cardigan School IT Consolidation Project **December 6th, 2016**
Cardigan, PEI
TIE Project Number: 080-16096
EA Engineering Project Number: 16-011

The following amendment to the tender documents is effective immediately. This addendum shall form part of the contract documents.

Specifications

1. Reference Section B - Instructions to Bidders

1.1 Reference Paragraph 4.2: Revise project completion date to **March 10th, 2017.**

Drawings

1. Reference Drawing E1 - Upper Level Communication Plan:

1.1 There is a receptacle located on the wall adjacent to the data cabinet. The existing receptacle is located outside the cabinet. Remove receptacle and provide surface mounted junction box. Extend AC90 from the junction box into the cabinet. Mount new receptacle in the cabinet.

End of Addendum
