

BUILDING HOMES, STRENGTHENING COMMUNITIES

482 New Social Housing Units

\$184.6M over 5 years

To build stronger, more inclusive communities across Prince Edward Island with increased access to safe, affordable housing such as on the former Montague Manor site where 30 new housing units will be built.

Building Tiny Homes and Small Homes

\$14M over 5 years

To build 47 new tiny and small homes in collaboration with key community and government partners, and to build the necessary infrastructure to support these homes and the people within.

*Stronger, more inclusive
communities across
Prince Edward Island* ”

Summerside apartment construction

Upgrading and Repairing Existing Public Housing Units

\$31.7M over 5 years

To upgrade and repair existing units to ensure tenants' needs are met and enhance energy efficiency.

Upgrading and Building New Group Homes for Vulnerable Islanders

\$7.8M over 2 years

To build two new group homes and purchase additional homes to provide care for children with specialized needs, and to fund repairs and improvements to existing group homes to create safe, supportive spaces for children and youth.
