

MINISTER’S DIRECTIVE
No. MD 2024 -05

**Granting of Senior High Graduation Diploma in the
French First Language Education Program**

Pursuant to clause 3(1)(g) and subsection 4(1) of the *Education Act*, R.S.P.E.I. 1988, Cap. E-.02, I hereby issue the following Minister’s Directive to establish rules for the granting of diplomas to students in a French first language education program.

This Minister’s Directive replaces Minister’s Directive No. MD 2020-05.

Interpretation

1. In this Directive,

(a) “affiliated school” means an educational institution located outside of Canada that is authorized by the Minister to use curricula developed and approved by the Department;

(b) “arts credit” means a credit for a course identified as a music (musique), visual arts (arts visuels) or dramatic art (art dramatique) course in the *Régime pédagogique M à 12^e année*;

(c) “career education credit” means a credit for a course identified as a career education (éducation à la carrière) course in the *Régime pédagogique M à 12^e année*;

(d) “credit” means:

- i. a weighted unit based on the number of defined hours of instruction in a course that is awarded to a student upon successful completion of the course with a pass mark of at least 50%;
- ii. a credited course; or
- iii. an enrolled credit.

(e) “credited course” means a course where no marks are assigned but students have demonstrated through assigned work and teacher feedback that they meet the core curricular components. Courses include: TPP701M, TPP801M, EDC801M, Spécialisations courses, and distance education courses;

(f) “English (second official language) credit” means a credit for a course identified as an English (Anglais) course in the *Régime pédagogique M à 12^e année*;

- (g) “enrolled” means that a student who attended a course for which the teacher assessed an assignment or assignments;
- (h) “enrolled credit” means a credit that is awarded to a student for a course in which they were enrolled in the spring semester of the 2019-2020 school year;
- (i) “French first language credit” means a credit for a course identified as a French (Français) course in the *Régime pédagogique M à 12^e année*;
- (j) “French first language education program” means the education program approved by the Minister under clause 3(2)(b) of the *Education Act* for use in the French school system;
- (k) “mathematics credit” means a credit for a course identified as a mathematics (mathématiques) course in the *Régime pédagogique M à 12^e année*.
- (l) “physical education credit” means a credit for a course identified as a physical education (éducation physique) course in the *Régime pédagogique M à 12^e année*;
- (m) “*Régime pédagogique M à 12^e année*” means the most recent version of the *Régime pédagogique M à 12^e année*, published by the Department of Education and Lifelong Learning, as amended from time to time;
- (n) “science credit” means a credit for a course identified as a science (sciences naturelles) course in the *Régime pédagogique M à 12^e année*;
- (o) “social studies credit” means a credit for a course identified as a social studies (sciences humaines) course in the *Régime pédagogique M à 12^e année*;
- (p) “technology credit” means a credit for a course identified as an information technology and communications (technologies de l’information et des communications (TIC)) course in the *Régime pédagogique M à 12^e année* ;
- (q) “trades credit” means a credit for a course identified as a trades (métiers) course in the *Régime pédagogique M à 12^e année*.

PART A - Eligibility

2. An individual is eligible to receive a Senior High Graduation Diploma if the individual has successfully completed the course credit requirements for a Senior High Graduation Diploma described in Part B of this Directive and
 - (a) is enrolled in a senior high school operated by the French Language School Board; or
 - (b) is enrolled in an affiliated school that, in the opinion of the Director of the French Innovation, Education and Programs Division of the Department, offers courses that are substantially equivalent to courses offered by the French Language School Board.

3. This Directive does not apply with respect to the eligibility of individuals to receive a General Educational Development (GED) Diploma or to receive certification for completion of senior

high level courses as an adult learner who is not enrolled in a school operated by an education authority.

4. When a deceased individual, who was at the time of death enrolled in their Grade Twelve year in a school that satisfies the criteria of Section 2, had not yet completed the course credits requirements for graduation, the individual's parent(s) or legal guardian(s) shall be eligible to be issued a posthumous Senior High Graduation Diploma in the name of the deceased, upon request.

PART B – Academic Requirements for a Senior High Graduation Diploma

4. Sections 6 and 7 apply to individuals who commence studies in a senior high education program in the school year commencing September 2015, or at a later date.
6. (1) An individual who is enrolled in a French first language education program has completed the course credit requirements to be granted a Senior High Graduation Diploma if the individual has successfully completed twenty-five (25) course credits comprised of
 - (a) at least seven (7) course credits, from courses designated in the *Régime pédagogique M à 12^e année* as Grade 12 courses (600 or 800 level courses); and
 - (b) at least fifteen (15) course credits, from the compulsory course credits described in subsection (3).
- (2) A course credit, may be used to satisfy the course credit requirements described in both clause (1)(a) and clause (1)(b).
- (3) The compulsory course credit requirements referred to in clause (1)(b) include:
 - (a) 5 French first language credits, one of which must be FRA621M or FRA631M;
 - (b) 3 mathematics credits;
 - (c) 2 science credits;
 - (d) 2 social studies credits;
 - (e) 1 English (second official language) credit;
 - (f) 1 career education credit, which must be CAR421M;
 - (g) 1 credit from among the following course credit categories:
 - (i) an arts credit,
 - (ii) a physical education credit,
 - (iii) a technology credit, or
 - (iv) a trades credit.
7. (1) An individual may apply in writing to the Director of the French Innovation, Education and Programs Division of the Department for an exemption from CAR421M.
- (2) An individual shall provide the following information with an application for an exemption
 - (a) a description of the reason why the individual should not be required to complete the compulsory course credit requirement;

(b) a description of the steps taken by the education authority or affiliated school to accommodate the curriculum associated with the compulsory course credit requirement to accommodate the individual's specific circumstances; and

(c) a written recommendation from the principal of the school or affiliated school, as the case may be, that the individual be exempted from the compulsory course credit requirement.

(3) On receiving a completed application made in accordance with this section, the Director of the French Innovation, Education and Programs Division of the Department may exempt an individual from a compulsory course credit requirement if, in the Director's opinion,

(a) the individual's personal health, religious or physical circumstances prevent the individual from fully participating in the compulsory course, and the health, religious or physical circumstances of the individual cannot be reasonably accommodated within the curriculum of the compulsory course; or

(b) the individual has transferred into the education program from another jurisdiction in the individual's third year of study at the senior high level, and enrolment in the compulsory course would unduly delay the completion of the individual's senior high program of studies.

8. (1) This section only applies to individuals who commence studies in a senior high education program prior to September 2015.

(2) An individual who is enrolled in a French first language education program has completed the course credit requirements to be granted a Senior High Graduation Diploma if the individual has successfully completed twenty-five (25) course credits comprised of

(a) at least seven (7) course credits from courses designated in the *Régime pédagogique M à 12 année* as Grade 12 courses (600 or 800 level courses); and

(b) at least fifteen (15) course credits from the compulsory course credits described in subsection (3).

(3) The compulsory course credit requirements referred to in clause (2)(b) include:

(a) 5 French first language credits;

(b) 3 mathematics credits;

(c) 2 science credits;

(d) 2 social studies credits;

(e) 1 English (second official language) credit;

(f) 1 career education credit; and

(g) 1 credit from among the following course credit categories:

(i) an arts credit,

(ii) a physical education credit,

(iii) a technology credit, or

(iv) a trades credit.

9. This directive replaces Minister's Directive No. MD 2020-05, which is revoked

This Minister's Directive is effective June 6, 2024.

Dated at the City of Charlottetown, this 6th day of June, 2024.

Natalie Jameson

Minister of Education and Early Years
